

PYP (Grades 1-5) School Supply List

Please see the list below for the supplies that will be required for all students in grades 1 to 5. Supplies can be found at stationary stores such as: Dream Depot , Alpha and Morning Glory . These supplies are used individually and communally among the students as needed.

If there are any materials that can be re-used from last year such as backpacks and binders, please do! The KFS community feels that reducing waste and our footprints on the Earth is extremely important. It may be beneficial to have a conversation with your child(ren) about the use of materials in school. Use only what you need, take care of materials such as glue, crayons, scissors and pencils so they are not lost or wasted. Practicing responsible use of materials at home and at school are encouraged.

| Classroom Supplies | |
|--|--|

| Home Supplies | |
| pencils, erasers, scissors, glue sticks, color crayons, markers | |

- ◆ Students need to have all the items listed on the first day of school.
- ◆ Parents will need to replace these items when they are used at the request of the teacher.
- ◆ We hope to use less paper and to use only the supplies and materials we need. To ensure that we are using materials wisely and creating less waste, using high quality supplies (especially pencils) is very important. Please choose a brand of pencils for their quality, not for the colors or design.
